

National Championship Qualifying Tip Sheet

Qualification for US National Singles – May 26-31, 2010 Houston, TX

All participants of the **2010 US National Singles Racquetball Championships** are required to compete (not just enter) in a sanctioned qualifying event.

The following events are recognized qualifying events:

Designated Regional Qualifiers

Sanctioned State Singles Championships

US National Collegiate Championships, April 7-10, 2010 Springfield, MO

NMRA National Championships, March 17-20, 2010 Tucson, AZ

WSMRA National Championships, January 15-17, 2010 Gaithersburg, MD

The following are exempt:

Active Duty Military

Overseas military – Army, Navy, Air Force and Marine.

Alaska & Hawaii Residents

Full time residents of Alaska and Hawaii

Medical Waivers

The physician's statement must contain a diagnosis of the ailment, date of treatment, and required period of inactivity which prevents competition. Medical waivers must be approved by USA Racquetball prior to the regional competition dates, unless the injury occurs within two days of the competition's first day of competition. Injuries which occur within two days of the first competition date must be approved within 7 days of the last day of the event. Waiver fee is \$100

Mileage Restriction

Any player who resides more than 300 miles from the closest regional or state singles may apply for a mileage distance waiver to compete at nationals. Waiver fee is \$100.
